Conditions of Service

1. Prior to the stud service, the bitch owner will provide the following information about the bitch to the stud dog owner via email or mail:

___ Negative brucellosis test dated within 10 days of a natural breeding.

(Test only required
for natural breeding.)

___ Copy of AKC pedigree

___ Copy of normal OFA hip report

___ Copy of normal OFA elbow report

___ Picture of bitch

___ Copy of CNM report

___ Copy EIC report

The stud owner will NOT be held liable for injuries that may be sustained by the bitch during the breeding process or while on the stud owner's property.

2. The stud fee is \$2000 for approved bitches. After full payment has been made, the stud dog owners will sign the litter registration. If fewer than three live puppies are whelped, the stud fee will be adjusted to \$500 per puppy.

3. The sire's owner reserves the right to take the pick of the litter, in lieu of the stud fee.

4. The bitch owner agrees to perform progesterone and/or LH testing on the bitch

to determine the proper breeding window. The bitch owner will be responsible for any and all medical expenses, including those pertaining to hormone testing and veterinary fees.

5. Frozen Semen may be obtained at Animal Clinic of Oxford which is located at 2008 Harris Drive Oxford, MS 38655. All of the information you will need can be found at their website <http://www.animalclinicoxford/>. Their phone number is 662-234-8022.

Any additional cost for shipping and handling will be paid directly to the semen bank. (Usually \$300 - \$400) AI veterinarian cost will be the responsibility of the bitches' owner. A \$300 deposit must be mailed prior to the release of semen from the bank. This will be applied towards your stud fee. Please see #6 for details if the breeding does not take.

6. Fresh chilled may be possible if stud is available to be collected by vet of stud owners choosing.

7. The bitch owner agrees to have a back-up stud dog available in the event that the stud dog is servicing another bitch that week or if the stud dog owners are unavailable.

8. The bitch owner agrees that no puppy produced as a result of this breeding will be sold to a pet shop, agent or broker.

9. The owners of the stud dog are not obligated to sign an application for litter registration with the AKC, nor may such application be made, until and unless all applicable terms stated above have been met.

10. If the bitch's owner(s) fail to fulfill the conditions of this contract, the bitch's owner will be responsible for reasonable attorney's fees if action is taken by the stud dog owner on behalf of the bitch that was bred and/or puppies produced from this breeding.

After reading the above terms and conditions, we find them mutually agreeable and acceptable.
